History of PNPCES

The Signal Corps started when Insular Police of the Philippines was organized in 1902 pursuant to act. No. 175 of the Philippine Commission.

Executive Order No. 308 dated March 30, 1950 created the organization of the PC Signal Corps and was formalized on September 1955 under the office of the Constabulary Chief Signal Officer (OCCSO).

The Office of the Chief Constabulary Signal Officer (OCCSO) was renamed Office of the Constabulary Chief Communications-Electronics (OCC COMMEL) and subsequently, the Office of the Zone Chief Communications-Electronics (OZCCE) for the four (4) PC Zones was created.

OCC COMMEL was deactivated on August 16, 1978 and the PC/INP COMMEL Group, COMMEL Support & Service Unit and the thirteen (13) COMMEL Regional Units were constituted with authorized strength of 94 officers and 1520 enlisted personnel.

Philippine National Police was organized on January 1, 1991 pursuant to RA 6975 and the PNP Communications and Electronics Service (PNPCES) was subsequently activated to include the seventeen (17) Regional Communications and Electronics Units.
